

August 2011

It has been a busy time with the Mid Winter Xmas dinner and the Henry Ford Memorial Day in Hamilton. I've attached Grant's write up on the Bay Rodder's Garage Tour.

The Mid Winter Xmas dinner was a great night with over 20 people enjoying a fantastic dinner and some great dancing (not all done by us but the very good dancers there that really got into it!). Thanks to all who came and made it a great night. Best masquerade went to Brenda and Gus. A big thanks to Brenda and Glen for organising and the committee for helping as well.

On the 31 July 6 cars set off at 7.30am sharp over the Kaimais to Hamilton. We were all pleased as it was a lovely crisp morning. At the top we could see a thick blanket of clouds covering the Waikato. There was lots of cloud all the way to Cambridge then luckily it cleared. It was a great day and I know the Waikato club was trying to have the largest Ford display down under and I think they may have done it.
