

July 2010

Hi Everyone

Subs are past due. This will be the last newsletter that will be sent to everyone.

Winter is with us now, although we have been very lucky with the weather on club outings. I've attached a copy of the run report for June. Only a couple of weeks ago when we displayed 5 cars at the Bay Rodders Winterblast, the swap meet at the Spring Street car park Glen Fitzpatrick arrived at 7.45am with his top down and I drove home in the afternoon with the top down (I did have the heater on!).

Those going to the Rotorua Swap meet, we will meet at Cameron Rd, opposite the Race Course at 7.30am. The driver is free entry and any passengers are \$5. You will be expected to stay until 1pm. The cars are parked in the middle of the speedway and it is dangerous to get your car out before then. There is breakfast and food for sale also spot prizes for cars.

We have also been invited to the Sulphur City Rod and Custom Club's Rod Run on Saturday 9 July, by our club member Neil Arden. Meet at the Clubrooms on Te Ngae Rd, Rotorua from 12pm, run leaves at 1pm. \$15 includes free wine or beer and a burger at the end of the run and entry to the night function.

For those attending the Bay Rodders Garage Tour, 17 July, assembly is 9:00/9:15am at Burger King, Fraser Cove with departure at 9:30am. The exact circuit is not confirmed as yet but may cover a largish area (Te Puke/Kaimais/Tauranga). We need numbers for this by 11 July to let Bay Rodders know, please e-mail Grant on grantr@iso.co.nz.

Planning is well underway for the Extreme Automotive Parts BOP All USA Day on 27 July 2011. We are still looking for sponsors for 2 trophies. It is \$60 to get your name on a trophy, if anyone in the club is interested in sponsoring or knows someone who might please e-mail Grant on grantr@iso.co.nz. If you need any automotive parts for your car call in and see Dave at Extreme Automotive on Newton Road, Mt Maunganui. Make yourself known as Dave is in the club.
