

March 2010

Hi All

I have attached a copy of Rob's report on the overnigher we had in February. A fantastic weekend away, good weather and friends. A great road for driving and I know the girls enjoyed the drive over to Whitianga.

### **All Ford Day March 2011**

After a very wet Saturday I didn't think there was a chance the day would go ahead. The next morning dawned dry but overcast and after a couple of tx's the feeling was the day was on. We meet at the college at 8am. Boy was it cold, (too bad for those who forgot their jackets!!). We had a great turnout of about 10 cars and 3 more joined us at Blake Park. It was a slow start but as the day went on and it didn't rain, more and more cars turned up and in the end they had a turnout of about 150 cars. After a look around, yes a few of us did some judging, we headed over the road to the new Cossie Club for some lunch. It was good to get out of the cold for a while. We headed back and had a last look around and picked up some spot prizes before we headed upstairs for the prize giving. Wayne Hills got 2<sup>nd</sup> in the American class and Gary Bowman got 1<sup>st</sup> prize. We were all really pleased to see Kelvin pick up People's Choice in his Shelby. The club took the Best Club display again.

**March Run:** We will meet in Paengaroa to leave at 9.30am and travel to Rotorua for the run to meet other cars. It will be \$5 per hand, which will be donated to the Canterbury Mustang Club to help club members. It will be free entry into the activity but it would be appreciated if you buy your lunch there. The last hand will be at Rusty's house, BYO afternoon tea, have a drink and leave there for home.

DATE CHANGE DATE CHANGE DATE CHANGE DATE CHANGE DATE CHANGE 10April 2011

The Waikato Mustang Club's date for their run has had to be changed again, from the 17 April to the 10 April, as the date conflicts with the V8 Supercars in Hamilton and several of their cars will be involved in the drivers parade. We will be meeting at the Lakes Roundabout for a 9.30am departure. I need to let them have an idea of numbers by 4 April. Please let me know before then. Below is the information from their webpage.

This was very successful last year so it was decided to make this an annual thing with each club taking a turn at organising it.

This year its Waikato Mustang Club's turn, it will be a cruise to Raglan for the day.

Will meet at the Dinsdale Pub at 11am leave when the other clubs arrive.

We are having a Hangi put down at Raglan Rugby Club, and cost will be \$10 pp .

They will open the bar at the Club for those who would like a drink.

We had a great time last year with the BOP and Auckland Clubs a good chance to check out some other Mustangs.
