

December 2011

Hi Everyone

It's hard to believe another year is nearly gone. I've attached Grant's report about the All USA Day. It was a really fantastic day with a large number of cars and people. It would have been great to see more club members in attendance, your car doesn't have to be going for you to attend, as some extra hands would have been helpful. It was a busy, hot and a really fulfilling day, seeing all the planning come together and the feedback from car owners and the public attending was awesome. Thanks to Dave, Graeme and the team from Extreme Automotive you are fantastic sponsors and the committee encourages everyone to call in to Extreme Automotive on Newton Road and have a look at the stock they have. Dave is very helpful in finding automotive parts for your Mustang.

## Xmas Run

Sunday 11th Dec, meet at 10.30am (for 10.45am start) on Cameron Rd outside Greenpark School (opposite the Tauranga Golf Course). The run will be approx 1 hr and we will be at the Memorial Park for lunch around noon (bring your own lunch and drinks). We will leave the park and arrive at the 10 pin bowling avenue at 1pm where the run will conclude. The club has booked lanes for approx 30 people so we need confirmation of numbers (by 7<sup>th</sup> Dec e-mail [fleetda@yahoo.com.au](mailto:fleetda@yahoo.com.au) ) to ensure no one misses out on this Club subsidised activity. The prize giving will take place at the bowling club. Your car doesn't have to be going, you are welcome to join us at lunch or at the bowling alley.

Note: should the weather be unfavourable for lunch in the park, we will continue to the bowling club and have lunch there.

Bring a pen and paper as it will be a quiz run.

# Toy Run 2011

Wednesday 7th December

Meet at Baypark stadium 6.00pm Rain Hail or Shine!

Bring along a NEW Toy for Kids Cancer or Cash donation for Waipuna Hospice.

Run leaves 6.30pm cruising thru Papamoa, downtown Mount, across the harbour bridge, downtown Tauranga and thru to Fraser Cove where cars will be on display!

You are then welcome to have dinner at any of the places available, have a drink at Worlds End and catch up with fellow petrolheads or start on the Christmas shopping with the shops which are open for late shopping!

We do have one ask - that there are no jappas - so all hotrods, classic cars, muscle cars, street machines, mustangs, holdens, caddys, fords, chevys, - get that car out of the garage - bring your xmas spirit(that is smiles, santa hats and not rum!) and join us for a great nite and an even better cause!!!

Last year we had the most cars ever! - we want to again top that again!

We have been invited to attend the Classic Flyers event again this year. However you have to purchase a full price ticket to attend. The cars are being displayed behind the hangers next year and I think security will be up to you, but the cars will be roped off. If you are interested I have the contact information, first in first serve. Anniversary weekend 28 and 29 January 2012.

## Club Mechanise
