

April 2013

It's becoming clear now that winter is on its way. I'm looking forward to day light saving this weekend so it won't be dark when we get up. Please find below the details about the AGM, also club fees will be due from the AGM on. The fees will be set at the AGM and I will let you know after that meeting. Everyone that joined the club from the All USA day till now does not have to pay fees again.

March Club run to Okoroire

On the 17 March lots of club members braved the drizzle to attend the club run to Okoroire. It was great to see some members get into the St Patricks day theme, dressing up in green and some looking like leprechauns. It was great to see some members from out of town turn up too. After an uneventful drive we arrived at the hotel and Dave and Julie went off to set up the games. Everyone else ordered lunch so our meals would all be delivered together.

The games were:

A golf chip into a square surrounding a plastic bin for 1 point or into the bin for 5.

Petanque – the best of two ends.

Hitting tennis balls with a tennis racquet into a plastic rubbish bin.

Kicking a soccer ball to knock down one of four upright battens.

Throwing wheel nuts into a small can or a large can.

The games were completed by the pairs, with lots of jeering and encouraging for the other teams. The drizzle returned just as the games were finishing which was very lucky. We then moved out to the garden bar where we enjoyed a very nice lunch.

The winners were team Shelby, Bev Thomson and her nephew. Wayne Hills won the Petrol voucher and a bottle of wine went to Jolene and Gareth as best dressed.

A big thanks to Dave and Julie for organising this run it was a lot of fun.

NZ Petrolhead breakfast - Tauranga

Tauranga now has a NZ Petrolhead breakfast, at Drivers Bar, 11th Ave Plaza, Tauranga, from 8.00am to 11.00am on the first Sunday of the month. Drivers Bar is well known for its monthly Friday cruise night, so the team knows how to look after car enthusiasts. There's a buffet breakfast, which includes a complimentary filter coffee. We are looking to have a Trivia night but this might depend on numbers...

While at Beach Hop we saw a couple of very interesting trade stands. Neon Effects neoneffects.co.nz – they have awesome neon signs and clocks. Check them out. They have a couple of Corvette cars and we suggested they make a Mustang car and they said they had had quite a few enquires so that may happen. One was for chrome barstools with tops that you could have your car printed onto. I can't find the card for that one at the moment but will try to find it.

Any questions please email me bopmustangclub@gmail.com
