Hi all

Welcome to another month.

July was a busy one with something car related nearly every weekend, the weather has been reasonably good to us for this time of the year, just a little fresh.

Make sure you cross off the weekend of the 16-17th August as there is an event Saturday for Cure Kids in Bethlehem and then Sunday brings our monthly club run involving a run, a bit of trivia and dinner. Can you please RSVP for dinner to the club email or on FaceBook so they can accommodate all of us by the 11th Aug.

If you come across anything interesting you think other members would enjoy or have a bit of a laugh at, don't forget to forward it my way.

CRC Speed Show - Auckland

CRC Speed Show

It was an early 6.45 am start for the eight cars leaving Bethlehem town centre. Picking one more car up at Katikati we made our way to the Smits Group headquarters in East Tamaki to join other classics, muscle cars, hot rods and the odd Jappa for the Meguiar's charity cruise to the ASB show grounds at Greenlane. There were approximately one hundred cars in the parade with all entry fees donated to Starship Children's Health. On entering the show grounds the cars did a lap of the action arena in front of the crowd before parking in the VIP car park for the show-goers to admire.

The CRC speed show continues to grow in size every year and represents the full spectrum of motorsport in New Zealand as well as many new exotic cars and bikes on offering from the manufacturers. The quality of custom built cars in this country was really evident in the Castrol Edge/Teng tools section of the show. Our builders are second to none in the world.

As part of the Meguiar's stand there was a tribute to the 50 years of the mustang with one car from each of the generations on display. Many other mustangs featured prominently throughout the show.

Following the parade we wandered the show admiring the cool cars, the associated automotive products on offer and watching the action in the arena such as the firing up of the nitro and jet dragsters. We then met for a lunch time catch-up, after which we spent a couple more hours looking around to make sure we hadn't missed anything before leaving for home, stopping for a coffee on the way.

If you weren't there this year go to www.speedshow.co.nz to see what you missed and put it on your calendar for next year.

Henry Ford Day

Henry Ford Day - Hamilton

We had an impressive turnout on a cold Sunday morning. Nine of us left the lakes with a tenth car joining us in Cambridge. Our apology's for the time confusion. With the sun beaming through it ended up being quite a pleasant day. Lunch was a special Mc 'D'S and the winner of our petrol voucher raffle was Grant and Vicki Robb and the best presented car was Gareth and Jolene Rogerson. Nobody qualified for a dipstick award this round. Well done team, we look forward to our next get together.
