

November 2011

Hi Everyone

It seems unbelievable that after a year of planning, our fabulous trip to Invercargill has come and gone. We all had a really fantastic trip and I've attached Grant's report for you to read.

The most important thing happening at the moment is obviously the All USA Day. It is only just over a week away now and organising is all finished and we are all praying for a fine day. All we really need is large turnout of members to make the day run smoothly. I'm sure anyone who has attended will let you know it is an enjoyable day and the more people we can get to lend a hand will make it easier on everyone. The committee will be there from 7am and people are needed there any time after that to get things ready and park cars. Also if you want to park with the club cars but are coming from out of town let us know and we will save parks. There will be as usual, a BBQ and drinks afterwards, which is a great way to wind down.
