

June 2010

Here is my first newsletter; this includes a couple of attachments so make sure you check them out. This will be the last newsletter sent out to everyone, the next one will only be sent to paid up members. Just a reminder at fees are \$35 this year to include the membership sticker for your car. If you need more than 1 sticker these will be available. Will advise price soon.

Our club is featured on the NZ Mustang website - www.nzmustang.com. If you haven't checked this out, please do so. We would like to get all our club cars on this site, so if your car isn't on please submit your photo and details. You click on "NZ Clubs", then "Your car on". There are easy to follow instructions to follow there. We are going to try and keep our page up to date.

We are looking at organising a Mid Winter Christmas dinner in July, either dining out or pot luck. Could you please e-mail me by the 11 June if you would be interested in attending. dcoombes@clear.net.nz.

The details for the Convention in Auckland this year are on the NZ Mustang website. The theme for this year is Route 66. Please think about the dress up on Saturday night and if you are thinking of attending this the committee would like to get an idea of numbers. This is a really fun weekend, and I would recommend it to anyone who is thinking of attending. Could you please e-mail me at the above address. 20 hotel rooms have been booked under reference 526084 and Grant Robb. It is up to individuals to ring up and get one of the rooms under their name and give credit card details. Last year we ran out of rooms in the host hotel so make sure you secure your room.

If you have anything you would like to advertise eg: cars for sale, parts wanted etc please e-mail me and I will put them in the next newsletter.

JUNE CLUB RUN:

We are meeting at the Tauranga Racecourse at 9.30am. We are heading north and will have a cafe stop and pick up people in Katikati. You will need a tank of gas, \$5

for an entry fee and we will be stopping at the L&P diner for lunch. Grant needs numbers for lunch so please e-mail him - Grant.Robb@iso.co.nz.

Graham and I would like to organise a Garage Tour for our September club run. If your car is under restoration we would love to come and visit and have a look at your car, see where you are up to. If there are cars in different towns this may involve 2 club runs. Please e-mail your details if you are willing to have us come and visit.

For our August club run we would love to hear from someone out of Tauranga, that has an idea of somewhere we could visit. The committee is willing to organise the day but we would love to have an idea from someone of where we could go.

Our "Official" club runs remain 3rd Sunday but I will also let you know of any other activities of interest.
