

May 2011

Hello All

We had a fantastic day for the AGM. It was unbelievable that we were driving around with the top down at the end of May. I've attached the report from Grant. Grant informed attendees that he had followed up with Mothers about this year's USA Day and let us know that they will not be sponsoring this year. Negotiations are already underway with Extreme Automotive to be our major sponsor. A big thanks to Dave Sells and a reminder to all that nearly everything you need for your car can be brought thru Dave at Extreme Automotive, Newton Road, Mt Maunganui. We are also talking to **Swann Insurance** about sponsorship as well. Please see info below about insurance with them.

The positions are as follows:

President –	Grant Robb
Secretary/Treasurer -	Wendy Old
Editor -	Debra Coombes
Committee -	Vicki Robb, Gus Old, Graham Coombes, Julie and Dave Flett, Gillian and Paul Stops, New members: Jeff Wilson, Brenda and Glen Fitzpatrick, Lisa and Duncan Counsell.

Our thanks go to departing committee members Dianne and Craig.

Our next committee meeting is on 12 June at 10.00am at Vicki and Grant Robb's house, 18 Diamond Head, Ohauti and we will be discussing the All USA Day, charity donation for last year etc and everyone is welcome. Afterwards at 1.00pm we will be having a meeting about the Convention in Invercargill. If you are thinking of attending please come along and see how the plans are going. If you wish to attend both meeting we are having a pot luck lunch.

Club Insurance

Brenda Fitzpatrick has been discussing with Swann and member rebates/discounts and the club bonus etc. To get this happening they/we need to know who has insurance with Swann and their car rego's so Swann can link their policies to the club. Once we can provide this Swann can set up the discounts etc.

If you have Swann insurance, could you please let me know, and we will inform you how to get a premium rebate (on new policies and renewals once we have it set up) and the club gets a commission on new business and renewals.

We have new club shirts. They are very smart, same colours as old shirts, they are \$57.00. Old shirts will still be available but will only be order when wanted, price was \$40 to be confirmed. I have some shirts but not all sizes. If you are interested please let me know I will be doing an order soon. Sizing as follows:

Hello there,

Please find attached an upcoming publication that will likely be of interest to your Members.

I am hoping that you can forward this to your member listing, so they can be aware of the Yearbook's release on 1 July, 2011. The "New Zealand Motor Sport Yearbook 2010-2011" has coverage of a wide cross-section of major motorsport events, from the New Zealand racing season just finished. The Yearbook's primary objective is to celebrate the efforts and achievements in NZ motor sport for the 2010 – 2011 season. Please check out the web-site www.nzmsy.co.nz for details on the Yearbook, along with Ordering and Availability information.

I was wondering if any of your Club members may be interested in getting a pencil drawing done of their pride and joy. Plus I would like to add a Ford or 2 to my gallery.

Drawings are A2 in size (approx 400mm x 600mm) and cost \$650 framed. Once original is done I can get printed copies from the original, which with the likes of the Kmart Bathurst winner can be printed in any size for the people helping with the restoration of this car for Greg Murphy Racing.

The prints are very cost effective and even I struggle to tell them apart from the original.
