

BOP Mustang Owners Club June run.

On Sunday the 19th June we all gathered at the Bay Park Raceway, 11 cars in all includingwe were fuelled up and ready to go.

Debra and I lead us off heading to Whakatane. A pleasant drive down the Eastern BOP coast where we stop off after Thornton at the Red Barn for tea / coffee and something to eat we also met up with Dave and Sandra Sells and Doug and Angela Scott.

Then we cruised the main street of Whakatane and out to the wharf which was shut due to road repairs.

So we then headed to Rotorua bypassing Kawerau and around the beautiful Lake Rotoma on to the Tauranga/Rotorua highway. There we turned right to find the road around the back of the lake and ended up at Ngongotaha for a lunch at the cafe, which was awesome. There we also had Ron & June Jones and Neil & Janene Ardern join us. Trophies were handed out and fines were issued. Wendy and Gus Old won the \$20 petrol voucher and Graham Coombes won the fine money. We finished about 2.30pm for quiet drive home in the rain.

This month's run was to celebrate the low cost of fuel. These runs are for all BOP club members and prospective members, we are a great bunch of people, so you are all welcome to join us any time.

Cheers

Graham.
