Ten Pin Bowling Run

May Club Run
Ten Pin Bowling

After seeing the devastation from the tornado only a few days earlier, we wondered if we could still meet at the ASB arena.

Luckily the side entrance wasn't damaged and 13 shiny Mustangs and 24 would be bowlers met before heading off on a short cruise out to Papamoa before heading back through the Mount to Ten Pin Tauranga.

We had 4 lanes available to us, so teams of 6 were made up. It was suggested partners split up and be in opposing teams, I hear we have some very competitive couples eh Mr Robb!!

Most of us experienced more than our fair share of gutter balls! However 1 person stood out above all the rest with a very respectable score of 136. Tony was blitzing the competition, so after questioning we found out he is a regular to Farmlands (Ten Pin is behind Farmlands) and a bit of a pro bowler. From bowling we headed to The Phoenix on the strand for lunch where a very nice meal was had by all and thanks to Bryan a discount deal had been struck for the club.

Our bowling pro Tony and his side kick Melissa presented our Best Car trophy to Ray Sperling, while Grant and Vicki won a new prize donated by David and Vanessa of a VTNZ warrant voucher. The petrol draw was won by Lisa and Duncan.

Just For A Laugh

Car Language.

A Daughter asked her dad, "Dad there is something that my boyfriend said to me, that I didn't understand. He said that I have a beautiful chassis, 2 lovely airbags and a fantastic bumper."

Dad said, "You tell your boyfriend that if he opens your bonnet and pulls out his dipstick to check the oil, I will give his nut's such a service that his motor will cease and his exhaust will fall off."

Advise For Old Guys Working Out.

I was working out in the gym when I spotted this sweet young thing walking in.....

I asked one of the trainers standing next to me, "What machine do I need to use so that I can impress the young lady over there?"

The trainer looked me over and replied, " May I suggest the ATM machine in the lobby."
