#### **ALL USA DAY – WHAREPAI DOMAIN**

Late November the club held its annual Mothers Waxes and Polishes All USA Day at Wharepai Domain. The day was superb with outstanding weather. The conditions were perfect and if anything it was too hot!! The ice-cream stall had trouble keeping up. Wharepai Domain is fairly protected from the wind and temperatures would have been close to 30 degrees. This is the second consecutive year of superb weather.

Close to 200 cars attended for the day with a larger number of cars coming and going through out the day. A huge variety of cars were present, this always makes it interesting! With the large amount of cars coming in to the country it is nice to see a few of them making it to the shows. A favourite of mine had to be the modern Corvette that was retro-fitted with an early Corvette front and rear. Very different. The club display was impressive and filled a whole lane. Nice to see them all together.

A big thanks to our sponsor Mothers. They provided excellent prizes and gift packs. Please support those that support our club.

Also a big thanks to all members who guided cars, judged, manned gates, sold tickets, etc etc. It is a big list and with out everyone's help it would not have gone so smoothly. The only issue I can remember was not having power when we arrived and Bev Thomas soon sorted that out!

A BBQ was held after and a few cold bevies were had. Thank to Kev Thomas and Shane Robson for attending to the cooking duties.

#### **UPCOMING EVENTS**

## JOKES OF THE MONTH

Desperately shorts of jokes this month so a quick Google search will have to be suffice.

### Joke #1 – Thanks Rod Snow

**Joke #2 – Thanks Janice Priest**

A female officer arrested a man for drunk driving. The female officer tells the man. "Sir, you have the right to remain silent. Anything you say can and will be held against you".

The drunk replies, "Tits"

**Joke #3 – And moving away from the theme of the previous two**

GOOD - A motorist was mailed a picture of his car speeding through an automated radar. A \$40 speeding ticket was included. Being cute, he sent the police department a picture of a \$40 bill. The police responded with another mailed photo - of handcuffs.

BETTER - A policeman had a perfect spot to watch for speeders, but wasn't getting many. Then he discovered the problem: a 10 year old boy was standing up the road with a hand painted sign which read "RADAR TRAP AHEAD." The officer then found a young accomplice down the road with a sign reading "TIPS" and a bucket full of change. (And we used to just sell lemonade.)

BEST - A young woman was pulled over for speeding. As the motorcycle officer walked to her car window, flipping open his ticket book, she said, "I bet you are going to sell me a ticket to the Highway Patrolmen's Ball."

He replied, "Highway patrolmen don't have balls."

There was a moment of silence while she smiled, and he realized what he'd just said. He then closed his book, got back on his motorcycle, and left. She was laughing too hard to start her car for several minutes.
